

Tabicase® ST1

Hyper-mobile and modular backpack for transporting and charging tablets fleets

For tablets up to 12" with or without covers

Tabicase® ST1

Up to 10 tablets

3 carrying modes

Make it easy to move, store and distribute your digital devices

A backpack that makes transport easier

Made of durable Cordura® canvas, Tabicase ST1 offers several carrying modes (handle, straps, trolley) to move your fleets of devices in complete safety.

Flexible device integration

Featuring two separate areas equipped with removable dividers, Tabicase ST1 accommodates up to 10 tablets with covers. You can easily adapt the layout according to the equipment.

A powerful charging solution

With Tabicase ST1 mobility rhymes with performance. The backpack comes with a Tabipower hub offering fast charging for 10 devices with the most efficient protocols (Power Delivery/Quick Charge).

Have your mobile devices recharged safely, ready to use, and for a long time!

Integrated electrical safety

Your devices and your electrical installation are protected from peaks load and surges.

Charging status display

The LED indicators allow you to know anytime when your devices are charged

Optimised charging and protected batteries

With Tabicase, the charging time is always as short as possible: no waste, less strain and longer lifetime for the batteries !

A Naotic solution for all sectors of activity concerned by digitalisation
